

# Program Overview MSc. Environmental Sciences (PO2023)

**To Do:**

- 3 Core modules
- 10 Major modules
- 3 Electives\*
- \* You choose only 3 WPs
- Internship
- Master Thesis

4. Semester

Master Thesis (6 Months)

3. Semester

Elective* (WP)  * offered as 3-week-block	Research Proposal Development			Elective* (WP)  * offered as 3-week-block
	Landnutzung und Naturschutz (LAND)		* Elective	
	Climate Change Ecology (CCE)		* Elective	
	Environmental Modelling and Data Sciences (EMDS)		* Elective	
	Sustainability Assessment and Transformation (SAT)		* Elective	
	Wildlife and Biodiversity (WB)		* Elective	

2. Semester

* The summer semester is structured in full-day 3-week blocks	LAND	LAND	LAND	LAND	Elective* (WP)	Internship (min 7 Weeks)
	CCE	CCE	CCE	CCE		
	EMDS	EMDS	EMDS	EMDS		
	SAT	SAT	SAT	SAT		
	WB	WB	WB	WB		

1. Semester

Research Skills			Elective* (WP)  * offered as 3-week-block
Multi-Disciplinary Perspectives on Environmental Sciences			
Landnutzung und Naturschutz (LAND)			
Climate Change Ecology (CCE)			
Environmental Modelling and Data Sciences (EMDS)			
Sustainability Assessment and Transformation (SAT)			
Wildlife and Biodiversity (WB)
